Helping you have the treatment you want

Finance 4 Patient provides a simple and affordable way for the total costs of dental treatment whether it be medical or cosmetic, to be paid for with an interest-free loan, with repayments starting 1 month after the treatment has taken place.

Interest free finance

By spreading the cost with no interest to pay, you can afford to have the treatment you really need or the teeth you've always wanted. The process is handled completely online, you get an instant decision with no waiting and there are no paper forms to fill in and post.

- ✓ Afford the treatment you really want and the smile you've always desired
- ✓ Apply online in the comfort of your own home with an instant decision
- ✓ Spread the cost of the treatment for peace of mind

How it works

- Once you have discussed with your Dentist the exact treatment and agreed the price, your Dentist will then email you a link to our Finance Application Form.
- Then, within the privacy of your own home, and if you wish to apply for finance, you click the link to display the Finance Application Form, which can be completed in around 5 minutes.
- You can sign the credit agreement online, so there are no paper forms and nothing to post.
- You will be given a decision within 10 seconds on whether you have been accepted.
